

Declaration on oath

I hereby declare on oath with my personal signature that I will travel more than half of the distance (measured in linear distance in kilometres according to the Erasmus+ Distance Calculator <https://erasmus-plus.ec.europa.eu/resources-and-tools/distance-calculator>) for my Erasmus+ stay to my host institution and back in an environmentally friendly way (train, bus, carpool with at least 2 people incl. driver, bicycle).

I am aware that misuse of the travel support for environmentally friendly travel will be reclaimed due to incorrect information. For this purpose, random checks will be carried out by the International Office of TU Wien.
